Career Objective

I am a 3rd-year university student with strong enthusiasm and plenty of time to dedicate to an internship. I have basic knowledge of ASP.NET Core, Razor Pages, and WPF, and an English level equivalent to IELTS 6.5. I am eager to gain hands-on experience in a professional, dynamic environment and would greatly appreciate the opportunity to intern at AvePoint Vietnam.

Education

Major: Software technology

Oct 2022 - Present

Da Nang FPT University

- Achieved 30% total scholarship from a scholarship contest organized by FPT University.
- Get 50% English scholarship from the English Replacement Test.
- English level equivalent to IELTS 6.5
